

ETA[®] International STATE/NATIONAL REPRESENTATIVE APPLICATION

The purpose of an ETA representative is to promote the organization to the best of their ability and provide accurate and precise information to individuals seeking to join ETA or obtain ETA certification(s). If you wish to hold this title and offer your services, please complete the following application.

STEP 1: Personal Information (please print clearly)

NAME: _____

ORGANIZATION/SCHOOL (if associated with one): _____

MAILING ADDRESS: _____

CITY: _____ STATE: _____ ZIP CODE: _____

PHONE: _____ FAX: _____

EMAIL: _____

ETA Membership # (this is a requirement to become a Representative of ETA) - _____

Please list all states/countries you wish to represent- (those representing more than one area, may receive the title of Regional Representative) -

STEP 2: Certifications/Qualifications

Please list your current certifications with ETA or any others relating to electronics.

STEP 3: Experience

Please provide a brief description of your past and present experience in both the electronics field and or electronics education.

STEP 4: Signature Statement

Please read the following:

The title of State/National Representative is an opportunity to serve your professional association and to become more involved, which in turn will help the industry and future technicians. Here is a list of duties. Suggestions on additional ways to help promote your association, in the best possible manner, are welcomed.

- Promote ETA.
- Contact ETA with any local developments reported by the industry or in the education of electronics related fields.
- Offer clarification, when a situation arises in the area, and we need further details; for example, a licensing requirement or change.
- Reach out to local schools or businesses with ETA material.
- Visit a school or business which has shown interest in ETA.

- Over -

- Be available to attend a show or event, including a career day or job fair, if we are unable to send someone from ETA's home office.
- Contact local industry or workforce development boards with ETA information.
- Submit or write articles related to activities in your area, for ETA's publication, The High Tech News.
- Any other tasks that would deem appropriate and necessary.

Through this application, I subscribe to the following principles as applied to all association officers and members, and others in the public interest.

As an ETA Representative, I will to the best of my abilities endeavor to:

- ❑ Promote policies and procedures which are correct and beneficial for the association without being subjected to external influences, and represent the association truthfully and with integrity.

I certify that the information provided in this application for the international designation of ETA Representative is correct and accurate.
