

You Can Become a Journeyman Certified Electronics Technician!

If you hold one of the following Standalone certifications, and later complete the ETA Associate CET (CETa) exam, then you are eligible to upgrade to the Journeyman CET (CET):

- Biomedical Imaging Equipment Technician (BIET)
- Certified Alarm Security Technician (CAST)
- Certified Satellite Installer (CSI)
- Computer Service Technician (CST)
- Electronic Security Networking Professional (ESNT)
- Fiber Optics Technician (FOT)
- Fiber Optics Technician–Outside Plant (FOSP)
- Line Antenna Sweeping (LAS)
- Network Computer Technician (NCT)
- Network Systems Technician (NST)
- Personal Communications Service–Cellular (PCSC)
- R56 Installer (R56)
- Radio Frequency Identification (RFID)
- Telecommunications (TCM)

The fee to upgrade to the Journeyman CET (CET) level is \$50.00. To apply, you must have the Associate CET (CETa) certification and two or more years of combined work and electronics training. To request the Journeyman upgrade you may contact our office or complete the upgrade form and return to the address below.
